the first time in one stunning volume, here is the complete, epic story arc: the phantom menace, attack of the clones, and revenge of the sith. experience the
sweeping tale of good and evil, of myth and magic, of innocence and power-and witness the tragic transformation of anakin skywalker from mere slave to one of the greatest, most powerful, and feared villains of
the galaxy: darth vader. "the path has been placed before you, anakin. the choice to take it must be yours alone." on the barren desert world of tatooine, young anakin
skywalker toils by day and dreams by night of traveling the stars to worlds he's only heard of in stories. when jedi knight qui-gon jinn and his apprentice, obiwan kenobi, cross paths with anakin, it marks the
beginning of the drama that will become legend. courageous to the point of recklessness, anakin comes of age in a time of great upheaval. the attempted assassination of senator padme amidala thrusts the
republic close to the edge of disaster-and brings anakin and padme into a secret romance as intense as it is forbidden. as combat escalates across the galaxy, the stage is set
